Microsoft Networks

About Our Company

We're a locally Veteran owned and operated family business, serving Oregon and Southern Washington. We've been providing computer and network support services for twenty five years!

We offer our customers a "one-stop-shop" experience and specialize in supporting residential, home office and small businesses. We provide on site, remote and shop support Monday thru Sunday, 8:00AM to 7:00PM. We also offer a "first come, first serve" after hours emergency service!

What We Offer

- Onsite, remote and in shop support
- No Fix No Charge Computer Repair
- Wired & Wireless Products & Services
- Malware, Spyware & Adware Removal
- Software & Hardware Installations
- Microsoft Server & Desktop Solutions
- Onsite or Remote Network Administration
- IT SOHO & Small Business Consulting

RED DEVIL COMPUTERS

We proudly support our Armed Forces locally and overseas! If you want a job done right, hire a Vet! We believe in using local vendors and services when at all possible!
